EDUCATION

- Vellore Institute of Technology** Bhopal, India
Pursuing Bachelors in Technology with a CGPA of 8.31 September, 2021 - Ongoing
- Pratibha International School** Pune, India
Completed Higher Secondary education achieving a percentage of 82.90 2021

SKILLS SUMMARY

- Languages:** Java, Python, SQL
- Tools:** JavaScript, React, MySQL, Data Analytics, UI/UX, JIRA
- Research and Planning :** Identifying Problems, Gathering Information, Developing Evaluations, Calculating Results
- Skills:** Designing Front End, UI/UX, Figma, Project management, Agile

EXPERIENCE

- Product Manager : Wayspire,:** (September 2024 - October 2024)
 - Represented the company at campus events, promoting Career Navigator programs and increasing brand visibility.
 - Collaborated with the marketing team to create content and strategies, analyzing campaign performance to boost engagement and brand awareness.
- Associate Product Manager: Intellify :** (February 2024 - April 2024)
 - Coordinated with cross-functional teams, including development, design, and QA, to ensure seamless project execution and on-time delivery of milestones.
 - Managed client interactions by gathering requirements, providing updates, and aligning deliverables with business objectives
 - Facilitated collaboration by resolving inter-team dependencies and addressing challenges, driving efficiency across projects. Conducted daily progress reviews to track project status, identifying bottlenecks, and maintain alignment with timelines and goals

PROJECTS

- Plant Disease Detection:**
 - SmartAgri is a smart-farming platform that combines AI-powered plant disease detection using GoogLeNet, IoT-based real-time monitoring of environmental parameters like soil moisture, temperature, and humidity, and a user-friendly website offering disease remedies, insights, and alerts. It aims to reduce crop losses, improve yields, and support small-scale farmers with accessible and automated solutions
- My Coffee -2:**
 - Developed and implemented a modern, fully responsive front-end interface for a coffee shop website, delivering an intuitive user experience and maintaining aesthetic consistency. Leveraged cutting-edge technologies such as HTML5, CSS3, JavaScript and Bootstrap to optimize performance by minimizing load times and enhancing responsiveness.

CERTIFICATIONS

- Atlassian Agile Project Management Professional Certificate :** Feb 2025
- Data analytics :** Dec 2024
- AWS-cloud practitioner :** Jan 2024
- Mern full stack :** Dec 2023

EXTRACURRICULAR

- Android Club – Core Member, responsible for contributing to club activities and supporting Android development initiatives (2023–Present)
